Monday, November 26 4 - 5 PM, Presidio Room

Customer Service

Mandatory if you have not yet attended

Monday, November 12 9:30 - 11 AM, Copper Room

Better Know Pangea

by Courtney Sykos Pangea

World cuisine comes together in the Student Union's newest restaurant Pangea. It has Italian entrees and pasta everyday and the most popular, sushi. Fresh sushi on-campus has drawn in many students and UA employees. Now that the year has progressed, it is available to be made from open to close as the majority of the Pangea employees have now been trained. The world fare cuisine has new options that rotate every three weeks. These rotations highlight food from all different cultures. Sampling of the worldfare side is welcome and encouraged, as the unit

tries to introduce new food to customers who would normally never have tried the food before. The first week in November there will be Indian food dishes on the line everyday. The menu is available online at http://www.union.arizona.edu/ dining/sumc/pangea. So stop by, sample some items, and meet some awesome friendly people.

A publication by Student Human Resources (SHR)

Wanted: Two Student Human Resources Coordinators

The Arizona Student Unions is looking for two outstanding student employees for the position of the Student Hiring and Retention Coordinator and Student Training and Evaluation Coordinator. These positions will assist in running the Student HR Department. You will gain valuable experience in project management, business, and leadership. If interested and have any questions about the positions please call (520) 621-3546 or contact Ashley Rae LaBar at labar@email.arizona. edu, Judy Harrison at harrisoj@email.arizona.edu or Ashley Tutera at aetutera@email.arizona.edu.

Get Involved with Leadership Programs!

by Michelle N Faas CSIL

When you come to college, you hear the words "get involved" countless times, but on a campus that offers a plethora of clubs and organizations with interests ranging from pre-law to mahjong, it can be hard to find where you belong. Well, I have good news! On the fourth floor of the Student Union, you will find the Leadership Programs Department in the Center for Student Involvement and Leadership. Leadership Programs at The University of Arizona provide several programs that help hundreds of students develop their leadership skills each year. Some of their programs are highlighted below:

Arizona Blue Chip Program

Blue Chip is a comprehensive co-curricular leadership program where students explore their leadership styles and skills, work with team-based activities, take leadership courses, participate in career preparation experiences, volunteer in the community, and engage in social justice initiatives while building strong bonds with other Blue Chip members.

ATLAS Leadership Certificate Program

ATLAS (Applied Tailored Leadership Adventure for Success) is a self-paced leadership certificate program that lets students choose the workshops, events, self-reflection and timing so they build leadership skills on their schedule.

National Collegiate Leadership Conference (NCLC)

NCLC is a three day student-run annual conference held at The University of Arizona that serves as the cornerstone of the leadership experience for hundreds of college students across the nation. NCLC offers over sixty workshops, community service projects, teambuilding and networking activities, motivational speakers, and a dinner with a nationally recognized keynote speaker.

Random Facts to Make You Smile

by Alexandra Janine Mazur Administration

<u>1</u>. Adults are supposed to sleep 7-9 hours a night

<u>2.</u> Sleep is most effective if in complete darkness

<u>3.</u> Keeping your brain active (ie puzzles, stories, Sudoku) can keep your body healthy

<u>4.</u> Wash your hands often (elevators have a lot of germs) Try singing "Happy Birthday" to yourself while washing your hands

<u>5.</u> Stay active, try taking a 30 minute walk for your study break.

<u>6.</u> One can of soda contains about 10 teaspoons of sugar.

<u>7.</u> Staying awake for 17 hours is equivalent to drinking two glasses of wine

<u>8.</u> Cavities can be caused by kissing someone with cavities

<u>9.</u> A cough can travel faster than the speed of sound

<u>10.</u> If you don't drink enough water you feel fatigued

<u>11.</u> Wearing headphones in your ears for an hour increases the bacteria count 700 fold.

12. The inability to keep your eyes open during a sneeze is the body's defense against debris and bacteria from the sneeze

13. When sleeping you are unable to smell

14. There are more bacteria in your mouth than people in the world

15. Office desks have on average 400 times more bacteria than a toilet

Holiday Hiatus

by Ashley Tutera Administration

Can you believe that the holidays are almost here? Me either! The anxiety of finals, shopping for gifts, and organizing winter plans is already starting to overwhelm me. Luckily, the Student Unions have just the cure. Instead of busting out the hot cocoa next to the fireplace, we have something better. The Employee Recognition Committee would like to invite you to our annual holiday party, Holiday Hiatus. As the name implies, this year's party is vacation themed! Inspired by the concept in Christmas with the Kranks where an empty-nest couple decides to skip Christmas, the Unions have decided to ditch the mistletoe and jingle bells in exchange for palm trees and Tiki cups! Take the time to get away from it all on Wednesday, December 5th from 6 - 8 am in the Cellar Bistro. Enjoy a delicious breakfast while being immersed in a tropical-themed world! Forget the plane tickets; paradise will be brought to you! Just relax and let the stress of the season melt away. Before the party, each unit will be given materials to build a basic snowman to decorate to personify their unit! Bring your snowman to the party to be entered into our contest. In addition, we will also be raffling off prizes like gift certificates, IceCats Hockey tickets and so on! Also, we will be collecting nonperishable food items to donate to a local food bank. Your name will be entered into the raffle additional times for each item donated! Let's bring some "fun in the sun" to December! But we can't do it without you. See you on December 5 in the Cellar! Aloha!

What: Holiday Hiatus When: December 5, 6 - 8 am Where: Cellar Bistro

UA Sports Wrap

Ryan: Well the past month had its ups and downs, starting with the Oregon State game. This was a tough loss for us, especially when we had the games in our hands. Matt Scott had a pretty good performance; however, throwing for 403 yards with 3 touchdowns despite having 2 interceptions. We also had a decent performance from Ka'Deem Carey rushing for 115 yards with 2 touchdowns. Despite these performances we still had a tough loss of 38-35.

Dennis: Here's a fun fact for you, all three OSU teams (Oregon State, Oklahoma State, and Ohio State) at one point in time in their history have had the school colors of orange and black.

Ryan: But the only colors that matter are Cardinal Red and Navy Blue...BEAR DOWN!!

Dennis: Truer words have not been spoken. Anyway, in similar fashion the bitter taste of defeat was yet again in the mouths of UA fans with a sad loss to Stanford. It was a pretty close game even though we trailed for most of it. But with an unusual decision not to take a few strikes down the field for what would have been a game winning drive with the better part of a minute remaining, Rich Rod elected to have the squad sit it out and try their chances in overtime. It didn't work out. But as frustrating and tormenting and ridiculous and agenizing and painful as it was to watch us not try at the end of the 4th we at least learned that we could play competitively, somewhat, with big ranked teams.

Ryan: Very often, we prefer to take the easier way out, because we don't want to take risks. But great risk often leads to great reward.

Dennis: I prefer expected values to analyze risk, but that's just me... Ryan: Coming off that game (a miserable loss to Stanford) let me say it was nice to see an excellent played game by our Wildcats for Family Weekend. Not necessarily an entertaining game at that, because of the blowout, but at least we got to see `Zona play to their potential after those two rough losses. Matt Scott had excellent numbers for the little amount of

by Ryan Frick & Dennis Schweibert Event Services/Operations

pass attempts. He threw for 64% (14/22) with 256 yards, with a spectacular 4 touchdowns. Ka'Deem Carey also got off, rushing for 172 yards with 1 touchdown. All in all I would say this was a good game, especially with it being Family Weekend.

Dennis: 52 points with just 59 plays! "I've never seen potatoes cooked like that before." (Sleepless in Seattle)

Ryan: Wow rough, burning Washington with their own Sleepless in Seattle quote.

Dennis: Going off a big win, maybe not schedule wise but morale wise, it was import to maintain the momentum in order to beat USC, and we did! What a wonderful game. Despite Marquis Lee going off and having a record game of 345 receiving yards, UA kept strong and owned the 4th quarter to clench a huge win over the former 9th ranked team. This is our second win over a ranked opponent, 2 for 4 against ranked teams isn't terrible. Look forward to seeing us ranked again as well as game against the Bruins of UCLA next week in the Rose Bowl.

Things to Do in Tucson

by Alexandria Mercer Accounting

When	What	Where
11/1-11/10	Arizona Theatre Company Presents 'Lombardi'	Tucson Convention Center
11/1-11/11	Gaslight Theatre: 'Phantom of the Opera'	Gaslight Theatre
