### Global Food Court Closing

ICYMI The Global Center Food Court is getting a makeover! Closing on April 13th, the Global Food Court on Level 2 will get a well-deserved refresh. 🙌 No worries though, your favorites including Mas Tacos and The Den will be back and better than ever for fall 2023. Go grab your final food court tastes and remember, it's not goodbye forever, just goodbye for now.

## Living like a ROCK STAR

Rovers are rockstars. We have almost 50 rovers cruising around campus delivering your drinks, meals, and snacks. Soon those little rascals will be crossing roads like Speedway and Campbell – JK... but they will go UNDER, so that's pretty cool! Want to be a rockstar, too? We can't really help you there, but if you use a rockstar rover, perhaps by proximity, you can be a rockstar, too! (or is that just a groupie?) Either way, let's keep those rockstars roving! Download the Grubhub app, link your Meal Plan, order delivery by rover, and live like a rockstar with no effort needed.
