

Arizona Dining News

Did you see?! It's Radicchio!

Arizona Dining is proud to introduce Radicchio – the university's first-ever plant-based dining location! I know it's hard to **ROMAINE CALM**, but keep reading because this all-you-care-to-eat location features a variety of colorful veggies and plant-based dishes you never knew you always wanted. It's **TOTALLY RADISH!** Plus, all vegan and vegetarian options are made without gluten and do not include peanuts or tree nuts as ingredients, so Radicchio's menu is sure to deliver **GOOD THYMES**. Don't forget to snap a picture or two when you visit to send home to family as proof that **YOU ARE KALE'IN IT** at this college thing – you know they're always **ROOTING FOR YOU** (and so are we)! Radicchio is located on the **third floor** of the Student Union Memorial Center with a great view of the mall and Old Main.

Follow us @uazunions for the beets – I mean deets – on Radicchio's upcoming tasting event to celebrate its introduction to campus.

Never Hungry TIP

How To Score An EPIC Late-Night Burrito

Did you know the most common timeframe for hanger to set in is between 10pm to 2am? Neither did we – we made it up! 🤪 But for real, you know you've felt hanger setting in when you're up late cramming for that exam or whatever. So, what do you do? Use GrubHub to score an epic late-night burrito from Highland Market with all your favorite fillings! Eggs and potatoes? We got you! Eggs, potatoes, AND all the meats & veggies? We got you for that, too! Go ahead, order your epic and let Grubhub do the rest! #neverhangry

Meal Plan Update

Swipes for Sweets (and more!)

'Tis the season to Swipe for Sweets – and more! You can use your Meal Plan Swipes or Dining Dollars to build the perfect Date Night Meal for two. Treat yourself to a Single Meal or satisfy that sweet tooth with something from the Bake Sale (sharing optional). [Click here](#) for more info.

Reminders:

- Spring Break is around the corner (only 24 days away, but who's counting!?) so don't forget that your March Swipe balance will be a little less than usual next month as a result.
- Staying in town or around campus? No worries – your Meal Plan stays active over Spring Break, so you can still grab groceries from the market or a quick bite from locations such as IQ Fresh, Nrich Urban Market, Saffron Bites @ SUMC, and Arizona Market.
- Try our new all-you-care-to-eat restaurant **Radicchio** while the crowds are low.
