ARIZONA DINING & NUTRITION GUIDE

THE UNIVERSITY OF ARIZONA
Arizona Dining

An aerial photograph of a campus courtyard. In the upper right, a large brick building with a red roof and a sign that says "OLD MAIN" is visible. A wide set of metal stairs leads up to the building. To the left of the building, there are several palm trees and a cactus. In the lower left, there is a large, octagonal swimming pool with a central fountain. The courtyard is paved with concrete and surrounded by greenery and trees.

NUTRITION PROGRAMMING

The Arizona Dining team is committed to a philosophy that ensures students, faculty, and staff are given delicious and nutrient-dense food options. From this philosophy, we have participated and/or developed specific programs to meet this objective and provide you the fuel you need.

Eat Like a CHAMP's nutrition program is designed to help identify food choices for a winning performance. Active students can quickly choose foods to aid in their specific training and performance goals. You can also find the CHAMP smoothie at IQ Fresh and CHAMP Bars at Nrich Urban Market.

Arizona Dining's nutrition philosophy is known as Nrich meaning Nutrient Rich. We grew this philosophy into an award-winning location offering healthier and transparent menu options so students know exactly how they're fueling. Featuring nutritional meals at both our Student Unions Memorial Center and Global locations. It's so great, we added an Nrich Urban Market Express at our Global Center.

Learn about nutrition and cooking skills in plantEd's award-winning culinary cultivation series designed to provide cooking skills along with nutrition education. Each month, explore different foods, know how to prepare them, and understand your meal's nutritional benefits.

The Well\$pent icon identifies food options that are healthier choices and less than \$5 to purchase.

Look for the Healthier Habits icon to identify foods that contain less than 700 calories, less than 10% calories from saturated fat, no trans fat, and less than 800 mg of sodium.

National Program Participants

The University of Arizona became one of 38 universities to participate in the Partnership for a Healthier America's Healthier Campus Initiative.

Food Forward is a national, plant-based cooking training. Culinary Services and Arizona Dining were one of 15 universities to participate.

The University of Arizona is one of 12 universities to participate in the Food Allergen Research and Education (FARE) College Food Allergy pilot. Through this pilot, we have trained over 100 culinary staff and 200 residence advisors on food allergens.

TECHNOLOGY ENHANCES LIFE ON CAMPUS

Skip the lines and pick up at one of our Smart Lockers or Grubhub windows. Get on-the-go, warm meals with our Just Baked vending machines. Start your day with a to-go cup of coffee at our Costa Coffee vending machine. Stay powered up at our solar-powered Coca-Cola charging station. Get your dinner delivered by rover. All of these are possible with our on-campus dining technologies. Arizona Dining is committed to enhancing your dining experience by incorporating the latest technology to help you stay fueled and hydrated across campus.

MEALS PLANS THAT FEED YOUR APPETITE

At Arizona Dining, our mission is to elevate your culinary experience by offering an array of convenient, wholesome, and top-tier dining choices tailored to your discerning palate. With a commitment to excellence, we've crafted a variety of meal plan options that cater to your individual preferences and dietary requirements. Selecting the right plan is key to ensuring your satisfaction while on campus, and enjoying meals that align with your lifestyle. Our Meal Plans are designed to feed your appetite by being:

Flexible: Choose the plan to best feed your appetite.

Predictable: Payments are worry-free through the Bursar.

Convenient: Plans are loaded onto your CatCard. No cash required.

Diverse: Choose from over 30 dining options around campus.

WHAT IS IN A PLAN?

The University of Arizona offers robust Meal Plan options that are designed with your convenience and flexibility in mind.

We've meticulously structured our Meal Plans to accommodate the diverse requirements of our students, dividing them into different allocations, or "buckets": Swipes, Dining Dollars, CatCa\$h, and Guest Meals.

First time, first-year students residing on campus are required to choose one of our Swipe Meal Plans. We encourage you to explore your choices and see what plan might align with your preferences and lifestyle. If you do not make a choice, the 12 Swipe plan will be assigned to you. Should you wish to make adjustments, upgrades are available at any point. However, downgrades or cancellations can only be made within the initial two weeks of the Fall semester. After the conclusion of this two-week period, your Meal Plan selection is set for the remainder of the academic year, providing clarity and stability for your dining arrangements.

SWIPES

Swipes are allocated monthly.

Recommended swipes per week will help you choose the plan that's right.

Swipes have the best value at all-you-care-to-eat locations and can be used at all other dining locations at a value of \$11 per Swipe.

DINING DOLLARS

Dining Dollars help you make smaller purchases.

Dining Dollars + allows you to order meals from off-campus retailers.

This bucket is reloadable.

CATCA\$h

CatCa\$h is a taxable account used to make non-food purchases on campus.

Select retailers off-campus also accept CatCa\$h.

This bucket is reloadable.

GUEST MEALS

Guest Meals are included for family and friends to dine with the Swipe Plan holder on campus.

FAQ'S

So how does my meal plan actually work? Find the answers you are looking for here. With a new Meal Plan, you're bound to have questions. Here are some typical scenarios you might encounter when trying to decide which bucket to use for payment.

What if my meal is \$13? How do I pay?

If your meal purchase exceeds \$11, you can combine the use of Swipes and Dining Dollars to pay for that meal. In this scenario, we recommend you use 1 Swipe (which is equivalent to \$11) and then use your Dining Dollars to pay for the remaining \$2 balance.

What if I only want coffee and a croissant for \$5? What should I do?

Since your coffee and croissant purchase is less than \$11, we recommend using your Dining Dollars to pay instead of using a Swipe. This ensures you are not losing almost 50% of the value of a Swipe by paying for something that is less than \$11.

Do my Swipes and Dining Dollars expire?

Yes. Your Swipes expire at the end of each month. The only exception is the last month of classes for both semesters. For Fall 2024, Swipes expire **12/19/2024** and for Spring 2024, Swipes expire **5/15/2025** when finals end. Your Dining Dollars expire at the end of the academic year.

How many Swipes can I use each day?

You can use up to 5 Swipes per day. You can also use up to 5 Swipes in one single transaction (i.e., to pay for some groceries at Highland Grocery at the end of the month).

Where can I use my Swipes and Dining Dollars?

Swipes can be used to enter the all-you-care-eat locations including '85 North, Cactus Grill, Radicchio, and Highland Grocery's hot and cold bar. Swipes can also be used at all other on-campus eateries for a value of \$11 per Swipe. Dining Dollars can be used at all on-campus eateries or vending machines.

How do Guest Meals work?

All Swipe Meal Plans include a set number of Swipes to be used as Guest Meals so that you can dine with your family and friends when they visit you on campus.

What is the most common use for CatCa\$h?

CatCa\$h can be used for non-food purchases on campus like short-term parking and printing. If you run out of Dining Dollars and Swipes, CatCa\$h can also be used to purchase food on campus. As an added convenience, CatCa\$h is accepted as a form of payment at select off-campus retailers.

Is there a plan that only includes Dining Dollars?

Debit Meal Plans only include Dining Dollars, so the total annual cost is equal to the amount of Dining Dollars loaded onto your Meal Plan for the academic year. These plans also come with a percentage discount on every purchase that is automatically applied when you pay.

For an overview of all Meal Plans, please visit mealplans.arizona.edu/swipes.

CHOOSING THE RIGHT MEAL PLAN

As a new university student, selecting the appropriate meal plan tailored to your lifestyle is crucial for a satisfying and balanced dining experience throughout your academic journey. Whether you have a hearty appetite, prefer lighter meals, enjoy snacking between classes, or seek flexibility in your dining choices, the right meal plan can significantly impact your overall well-being and academic performance. Opting for a plan that aligns with your eating habits ensures that you have access to the appropriate amount and variety of meals to keep you energized and focused throughout the day. No matter the plan you choose, your CatCard serves as your gateway to your Meal plan.
